

FACTORY MANAGER

Lead Manufacturing Excellence with Biogrow Lanka (Pvt) Ltd.

Join one of Sri Lanka's leading manufacturers of coir-based growing substrates. We are seeking an experienced, strategic, and results-driven Factory Manager to lead our Wariyapola manufacturing facility, inspire high-performing teams, and drive **factory operations** excellence.

REQUIREMENTS

- Minimum of 5 years of experience in a similar capacity in a reputed company.
- A degree/ professional qualification in Business Management or a related field from a recognized institution.
- Engineering background is also highly considerable for us in this job. **(Added Advantage)**
- Proven track record in leading and managing teams.
- Excellent communication, leadership, and interpersonal skills.

📍 Biogrow Lanka (PVT) LTD,
Hindagollaestate, Kanaththewewa, Wariyapola

KEY RESPONSIBILITIES

- Lead and take full ownership of **factory operations** to ensure maximum productivity and efficiency while making the most use of the company's assets and cutting down on wasteful spending for optimal results.
- Monitor **factory operations**, initiate corrective actions, and commit to plant safety procedures.
- Adhere to tasks provided by the top management while monitoring **factory operations'** costs and losses through forecasting, tracking, and reporting.
- Develop Systems, processes, and standards that track and optimize productivity metrics and KPIs to ensure effective return on assets.

Lead with purpose. Drive excellence.
Build the future with Biogrow.
